Golf Tournament and
Dinner

Friday, August 7th, 2009
McCall Golf Course
McCall, Idaho

Co-sponsored this year by
The Shepherd's Home and
the McCall-Donnelly
Education Foundation

Celebrating Our Partnership

In 2009 The Shepherd's Home and the McCall-Donnelly Education Foundation are joining forces in hosting this great golf tournament, dinner and auctions.

The Shepherd's Home in McCall provides a loving, safe, stable family home to children of all ages that are in need. Children come to us for a variety of reasons. While many of our children have faced neglect and abuse, all are experiencing some form of crisis in their lives. The Shepherd's Home supports children and families by providing short and long term care, giving children a healthy experience of family and home.

The McCall-Donnelly Education Foundation is a strong advocate of educational excellence in our community. We secure funds and other resources to build a better future for the children of our district. As an active partner, we support the McCall-Donnelly schools in "educating students for life." The McCall-Donnelly Education Foundation has awarded over \$137,000 in grants in the past three years.

Don't Golf?

You can still join in the fun!
